ACEINNOTECH Co., Ltd. CEO MESSAGE

‘Human focus’, ‘Customer impression’, ‘Technological innovation’

Over the past 30 years, ACEINNOTECH has been through many ups and downs.

Amidst multiple crisis, we have learned resiliency, perseverance and tenacity, all of which have granted us the winning title, “Star Corporation of Daegu” in 2014.

We will continue on our path as the best provider of living environment and space innovation. We may have started off as an ordinary windows hardware company but in the future, we will become the-state-of-art IT system-equipped and trustworthy company that prioritizes our customer’s safety.

Please keep your interest in our ACEINNOTECH.

We promise that we will deliver the best quality of product and service to you all.

ACEINNOTECH Co., Ltd. CEO

한광우

Our history

Company formation	April 1987
Certified KS mark	October 1995
Certified ISO 9001	May 2002
Certified as a corporation	January 2004

Awarded the president prize in a contest for quality circle	2009 ~ 2014
Awarded the prime minister prize in innovative technology show	2012
Awarded the excellent prize in the field of handle of windows&doors in KIDP Good Design contest	2013

Product descriptions

We never stop making high-quality products

HANDLE

ACEINNOTECH Co., Ltd.

2016 New Product

Our handle is a high-functioned and sophisticatedly
Designed hardware

Comma handle that connects the interior and exterior

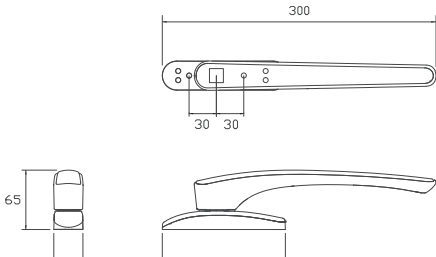

Easy construction
Handle of dual usage(right and left)
Improved durability - 50,000 times to complete the opening and closing test

{Handle}

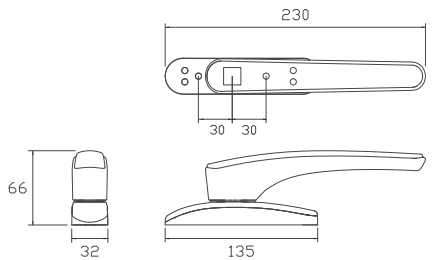

ALH-360

Product name	ALH-360
Product specification	300X32X65 (Width X Length X Height) Die casting(Lever+Mount) : AL Injection(Cover) : ABS
Color	Silvery, Dark grey

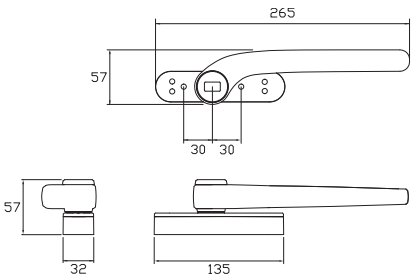

ALH-260

Product name	ALH-260
Product specification	230X32X66 (Width X Length X Height) Die casting(Lever+Mount) : AL Injection(Cover) : ABS
Color	Silvery, Dark grey

ALH-380

Product name	ALH-380
Product specification	265X57X57 (Width X Length X Height) Die casting(Lever+Mount) : AL Injection(Cover) : ABS
Color	Silvery, Dark grey, White

ACEINNOTECH Co., Ltd.

2016 New Product

Our handle is a high-functioned and sophisticatedly
Designed hardware

Awarded the excellent prize in the field of handle of windows&doors in KIDP Good Design contest

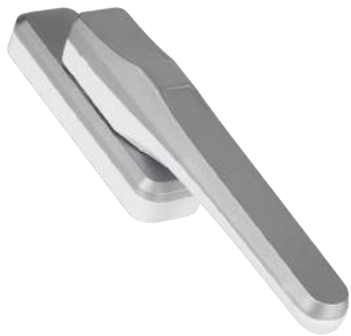

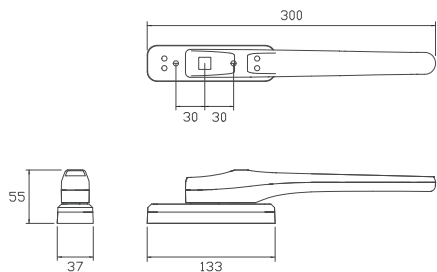

Easy construction
Handle of dual usage(right and left)
Improved durability - 50,000 times to complete the opening and closing test

*KIDP : Korea Institute of Design Promotion

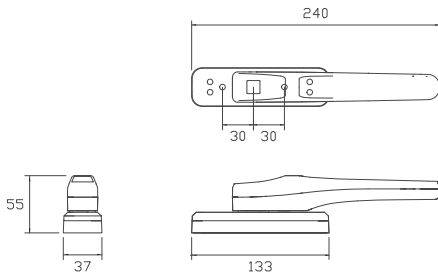

ALH-370
